HOBBIES AND INTERESTS

Aviation

I am a student pilot. I also like learning about the science behind how planes and other flying objects work. Apart from that, I read about history of aviation from time to time.

Sports

I've won several medals at local swimming competitions in my home town. Now I regularly go to the gym, occasionally run. I enjoy outdoor leisure activities as well, such as hiking, backpacking, fishing, etc.

Computer Science & Coding

I am a huge Linux & Open Source Software enthusiast. I have had a lot of experience with Linux as this used to be my primary OS for more than 3 years. I enjoy coding and learning new things in my spare time. I'm always open for improvement.

Learning Foreign Languages

I like learning foreign languages in my free time. I am currently learning Chinese.

Photography

I enjoy taking pictures of planes, landscapes and landmarks.
